20th Annual Anacortes Waterfront Festival Vendor Application Enclosed

January 2010

Dear Festival Vendor:

Spring is quickly approaching and we are excited to be one of the first festivals of the season. The Anacortes Waterfront Festival is scheduled for May 15-16, 2010, and is in its 20th year supplying commercial, arts & crafts and food vendors with an excellent selling venue.

The Anacortes Waterfront Festival is traditionally a family-oriented, fun-filled event, which celebrates the nautical heritage of Anacortes and officially launches the summer recreational season. This event brings 10,000⁺ festival goers and is located on the grounds of the beautiful Cap Sante Marina, a lovely location to showcase your wares.

Last year, based on vendor input, we rearranged the food court area to make it adjacent to the seating area – in the past it had been around the corner. The new layout offers a safer working environment for the vendors and the customers.

Enclosed you will find:

- Your application for vendor consideration, and
- Your participant contract

The Waterfront Festival Committee juries applications twice per month. Please help us with this process by **thoroughly describing your menu**. We do our best to not duplicate menus, however this is not guaranteed. If you are not selected to participate this year, your entry fee will be returned.

Applying is easy...

1. fill out the vendor application and sign the participant contract
2. provide proof of insurance (this is for food and commercial vendors)
3. return them by March 1, 2010 (**along with your entry fee**) to
