## 20<sup>th</sup> Annual Anacortes Waterfront Festival Vendor Application Enclosed

Dear Festival Vendor:

Spring is quickly approaching and we are excited to be one of the first festivals of the season. The Anacortes Waterfront Festival is scheduled for May 15-16, 2010, and is in its 20<sup>th</sup> year supplying commercial, arts & crafts and food vendors with an excellent selling venue.

The Anacortes Waterfront Festival is traditionally a family-oriented, fun-filled event, which celebrates the nautical heritage of Anacortes and officially launches the summer recreational season. This event brings 10,000<sup>+</sup> festival goers and is located on the grounds of the beautiful Cap Sante Marina, a lovely location to showcase your wares. We have made changes to the event over the past few years and are continuing to focus our efforts to make this festival a great experience for vendors and visitors alike! We will have decided to not invite imported goods or home improvement vendors, but instead to focus more on boating related and hand-crafted goods.

Enclosed you will find:

- Your application for vendor consideration, and
- Your participant contract

The Waterfront Festival Committee juries applications twice per month. Please help us with this process by **thoroughly describing your product or service** as well as **enclosing at least two photos**. As we work to enhance this already great festival, we want to ensure that the quality of vendors reflects your hard work. Your description and pictures will help us determine that. We do our best to not duplicate goods or services, however this is not guaranteed. If you are not selected to participate this year, your entry fee will be returned.

Applying is easy...

1. fill out the vendor application and sign the participant contract
2. provide proof of insurance
3. return them by April 1, 2010 **(along with your entry fee)** to
